Mission Statement

By Word and Sacrament, we are sent to glorify God with our lives.

From the Pastor

Merry Christmas! Happy Feast day to all our families. St. John Paul said: *“The Holy Family is the beginning of countless other holy families.”* There are many ways we can follow the lead of the Holy Family. **Pray together** – our goal should be to draw each other closer to Christ. What better way to do so than through prayer- going to church every Sunday; sharing a meal together and saying grace before eating; praying before bedtime and giving thanks for our blessings. **Be Faithful to Your Vocation** – Offer up your daily chores such as cooking, cleaning, repairs, doing laundry, to the Lord. Do your duties without grumbling. As married couples, show affection to one another and pray together. **Honor Each Other** – God wants us to honor each member of our family. We can work on parenting our children with love instead of nagging. By the same token, we can show respect and love to our parents, no matter their age. No matter what stage of life we’re in, God is calling us to be patient. **Accept Each Other** – We’re all children of God and we all have our own unique personalities. God has a unique plan for each member of our family. Not only do we need to accept God’s plan for our own life, but we need to accept that plan for others. **Forgive**– It’s all too easy to let a hurt fester instead of choosing to forgive and let go. Let’s recognize that we all have imperfections. When we sin, take it to Confession. **Be Present in Communication** – It’s ironic that the devices we use to communicate actually get in the way of us being present to one another. We can take simple steps like looking each other in the eye when we speak and listen.

The Church presents Mary to us as a model of that new life in Christ that all of us wish for ourselves in the New Year. Mary was a woman who valued the Word of God, who treasured it and made time to meditate and ponder it. It’s true that the holiness of Mary is attributed to the grace of God, but this shouldn’t make us forget that she needed to make an effort in order to cooperate with the grace of God. She pondered the Word of God in order to discern what God was saying to her at every stage in her life. God speaks to us through divine revelation as well as through our personal experiences, if only we make time to reflect on them as Mary did. Whatever the situation in which we find ourselves, God has a solution. Let’s resolve to listen more to the voice of God. Then we’re able to realize our New Year resolution of a new life in union with God.

A reminder that Jan. 1 is a Holy Day of Obligation. The Mass schedule is posted in this bulletin.

Fr. Brian J. Roby
