Mission Statement

By Word and Sacrament, we are sent to glorify God with our lives.

School Happenings:

The New Year, 2025, is a Jubilee Year! In the Diocese of Owensboro, to embrace our spirit in “Pilgrimage of Hope” for this Jubilee year, we have created a list of pilgrimage sites where one can gain an indulgence: St Stephen Cathedral, Owensboro; St. Romuald, Hardinsburg; St. Leo, Murray; St. Francis de Sales, Paducah; Marian Shrine, Bowling Green; Holy Redeemer, Beaver Dam. At these designated locations, you will find a passport booklet to be stamped at each location, along with prayer cards and scavenger hunts for children to also be able to participate. A plenary indulgence may be gained once daily by each member of the faithful who, renouncing any personal attachment to sin, even venial sin, and desiring to obtain the indulgence, makes a pilgrimage to any of the 6 pilgrimage sites during the Jubilee Year and fulfills the following conditions: makes a sacramental confession while on pilgrimage or within a few days before or after; participates at Mass and receives Holy Communion at pilgrimage site; offers one Our Father and one Hail Mary or any other prayer for the intentions of the Holy Father; while on pilgrimage, devoutly assists at a liturgical celebration or other pious exercise (e.g. stations of the cross, rosary), or spends time in pious meditation ending with the Lord’s Prayer, the Apostles Creed or the Nicene Creed, and prayers to the Blessed Virgin Mary. Consider making a pilgrimage.

Hats off to our Art and Environment Committee for preparing our Church for the celebration of Christmas. Well done! Hats off to our Social Life Committee for hosting Bunco Night. It was a good time!

I look forward to our parish’s celebration of Catholic Schools Week. Our parish has been in the business of Catholic School education for 146 years and what a marvelous mission it is. We are blessed with two very fine schools that exist to form disciples for God and His Church. Thanks to all who faithfully assist the parish in this noble endeavor. Thanks to all our parents who choose our Catholic schools for the formation and education of your children. Thanks to our Administrators, Faculty, and Staff, for serving the Church’s mission of Catholic Schools. God be praised as we prepare for our 150th anniversary of Catholic education at St. Mary with a new school.

Peace, Joy, and Love,

Fr. Brian J. Roby

We are excited to kick off Catholic Schools Week 2025. Catholic Schools Week is a week set aside to celebrate Catholic Education in the United States. Catholic education was started 146 years ago in our area and we have continued that tradition and kept it alive and thriving. There was a time that I believed we at St. Mary of the Woods School and Trinity High School, should try to do everything that other schools were doing. We thought we should keep up, but we shifted our focus six or seven years ago to concentrating on what makes us different, our faith. SMWS and THS pray every morning, afternoon and at lunch as a school, and pray many other times throughout the day in class. We go to Mass weekly to receive the Eucharist, our nourishment for our souls. We attend confessions twice a year and retreats/prayer days annually. As we went through accreditation a few years back, all the of the people assessing us stated that we really do seem different! They all acknowledged that it is the way the culture of Trinity and St. Mary’s is infused with our Catholic faith. They stated that everything we do is based around our faith. It really is a way of life for us. For several years in row, we have had students, or students and their families decide to become members of the Catholic faith and many stated that the schools are the reason they have decided to become Catholic. When people say Catholics are not evangelizing, I disagree! We evangelize in our schools daily, every time we start our events with a prayer, every time our logos are displayed. The secular world tells us that faith is not needed! In fact, the Christian worldview is trying to be silenced by the cultural elites telling us we are wrong by acting as though the immoral revolution is normal and justified. In an ever-changing secular world, we will continue to base what we do on our faith, help build students who are faith-based critical thinkers and facilitate parents in developing Disciples for Christ. It is the most important thing we do! I cannot imagine a more important job than helping develop people who are Christ’s army on earth.

Thank you for supporting our schools and know that we feel your prayers and together we will keep God First.

Happy Catholic Schools Week!

Emily Hernandez, Principal

- The Parish and the Businesses both benefit.
- We spotlight a sponsor each week.

If you do not have a business, but personally know of someone who does, please help the Parish by referring that person or business.

For more information on sponsorship, please contact Samantha McMichael at the Parish Office, 270-233-4196 or samantha.mcmichael@stmarywoods.com
